FREQUENTLY ASKED QUESTIONS

Can my student choose just milk if they bring their own lunch? No. Should a student choose only milk or to have more than one milk with their meal, they will be charged full price for that milk.

Can my student have additional food or second helpings at the free/reduced rate? No. Each student is allowed one full meal per mealtime under the program. If your student would like or needs additional food, they must pay full price for those additional items using funds from their lunch account.

Can my student eat two lunches in one day, and then choose not to have lunch from school the next day? No. Each student is allowed one full meal per mealtime under the program. For example, a student may have one breakfast and one lunch per day, but may not have zero breakfasts and two lunches.
