

FAMS Volleyball Information - 2022 Season

This is some basic information about next school year's middle school volleyball season for grades 7 and 8.

Coaches

Currently the coaching positions for both grade 7 and 8 are open and yet to be determined.

Registration

Before participation prospective students must register online at www.fortathletics.com [registration link](#)

**registration for next school year should be up during the month of July.

Along with the online process, registration includes a participation fee and a physical exam. Completed exam cards and alternate year cards must be on file in our school's main office. A physical exam is good for two school years with an alternate year card on file for year two. These forms are available on the registration page.

Practices

Teams will practice each day after school from 3:15 until around 5:00, unless otherwise communicated by the coaches. Team members are expected to attend practice regularly and communicate with coaches if circumstances arise.

Matches

Contests are typically on Tuesday and Thursday beginning at 4pm. Each night there are two matches. The second match begins 10 minutes after the completion of match 1.

[FAMS Volleyball Schedule - Fall 2022](#)

**schedules are always subject to change

Bussing

Transportation is provided to away matches and back to FAMS afterwards. Unless administrative permission is granted in advance, students must ride the bus to the matches but may ride home from a match with a parent/guardian only and only if a travel release form was submitted to the coach in advance. Coaches will have these forms available during the season.

Rosters and Participation

Each grade will have 2 teams split according to skill level determined by the coaches. Each player who maintains 'good standing' in academics and school behaviors, regularly attends practice and shows a willingness to work on improving while at practice will play in the matches but playing time will not be divided equally among all players.

Please communicate with the coaches about any specific questions you may have about the volleyball season.

Be sure you have completed THIS [SIGN UP FORM](#) TO HELP US KNOW WHO MAY BE JOINING THE TEAM NEXT SCHOOL YEAR.
