Any activity which could cause damage to buildings, property or individuals is prohibited in District-owned buildings or on District-owned land.

Use of school facilities and charges for their use shall be in accordance with Board-approved administrative regulations. Administrative regulations are available in the Office of the District Administrator, Director of Business Services or any school office.

- B. Use of District-Owned Land - All unauthorized vehicles or pets are prohibited from traveling on or across any property owned by the District.
- C. Use of District Swimming Pools - The use of District-owned swimming pools requires that a certified lifeguard is on duty at all times and is governed by administrative regulations.

ADMINISTRATIVE GUIDELINE 7510 - USE OF DISTRICT FACILITIES

The Board accepts the responsibility for making the public school facilities available to the community for appropriate activities which do not infringe upon or interfere with the conduct and best interest of the school system.

Any activity which could cause damage to buildings, property or individuals is prohibited in District owned buildings or on District owned land. The following Board approved administrative regulations shall be followed concerning the use of school facilities.

Since use of school facilities does result in additional operational costs to the District, a fee schedule has been established to recover appropriate expenses and all parties requesting the use of District facilities will uniformly be assessed these fees. It is the Board's intention to encourage the use of District facilities by the District's students, parents and employees for functions directly related to educational processes and activities.

Procedure for Requesting Use of School Facilities:

1. Complete an "Application for Use of School Facilities" form. Applications are available in each school office or [online](#).
2. Make a check payable to the "School District of Fort Atkinson" in an amount of \$50.00 for security deposit. In the event that keys are distributed, and additional \$50.00 per key deposit will be required. All deposits are refundable after the scheduled event provided the facilities are found in proper condition and, if applicable, keys are returned. These deposits are above and beyond any usage fees assessed.
3. Return the completed application to the main office of the facility to be used. A minimum of ten days notice is required.
4. A copy of the form will be returned stating terms of approval or denial.
5. Upon receipt of an approved facility use request, payment of the required security deposit(s), and appropriate fees (see schedule attached) are due prior to use or issuance of keys.
6. Any changes to the rental application must be communicated in writing to the principal or designee prior to the event.
