

ADMINISTRATIVE RULE 383

AR 383 - Procedures for Animal Use and Care

Teacher Education

All teachers who use animals in the classroom must be familiar with the

- Care and handling of any live animals used
- Normal species behaviors
- Abnormal species behavior that may signal distress or illness
- Zoonosis
- Appropriate methods of euthanization for individual species
- Appropriate statutes
- Proper disposal of animals and animal parts

Information regarding the care and use of animals in the classroom should be included in the teacher handbook.

Any anesthesia or euthanization should be done by the approved method and/or in consultation with a licensed veterinarian.
