

Comprehension Strategy Instruction

“First Teaching” during Read Alouds/Shared Reading

Grade 2

Multiple resources were used to determine bullet points for each comprehension strategy. This is not a sequence. Comprehension Strategy Instruction focuses readers on understanding text. Proficient readers demonstrate these behaviors. All students need explicit comprehension strategy instruction in order to become proficient readers. This instruction begins with “Read Alouds and Shared Reading” with the whole class and should be taught during the literacy block throughout the school year.

Making Connections – Q1 Focus

Students will...

- Bring background content knowledge to the understanding of a text before, during, and after reading
- Bring knowledge from personal experiences to the interpretation of characters and events (text-self)
- Make connections between the text and other texts that have been read or heard (text-text)
- Specify the nature of connections (topic, content, text format/features, author/illustrator)
- Make meaningful connections and identify distracting connections

 - locate a specific answer in the text
- Determine whether the answers to questions can be found in the text or need to be inferred from the text, background knowledge and/or another source
- Understand that hearing others’ questions inspires new ones of their own

Visualizing – Q4 Focus

Students will...

- Create mental images during and after reading
- Understand how creating images enhances comprehension
- Mental images help readers create images in writing/drawing
