Employee Election

I understand that at this point, I am not eligible to participate in the WRS. If I were to become eligible, I understand that I would need to fill out a new Rehired Annuitant Form indicating my intent to participate in the WRS, or my intent not to actively participate in the WRS.

I elect to participate in the WRS as an active employee pursuant to Wis. Stat. § 40.26 (1). I certify I had a valid termination and have remained terminated from all WRS participating employment between my date of termination and the latest of the following dates:

- the day after my annuity effective date, or
- the 31st day after my termination date, or
- the 31st day after ETF received my benefit application.

I understand my WRS annuity will be terminated and WRS coverage will begin effective the first of the month following ETF's receipt of this election. I understand this election can be revoked only if ETF receives my written request to withdraw this election prior to the day WRS coverage would resume. I will be eligible to reapply for a retirement annuity only when I again terminate all WRS covered employment. Note: This option is available even if you have been retired for an extended period and you now want to participate as an active employee.

I do not elect to actively participate in WRS pursuant to Wis. Stat. § 40.26 (1). I certify I had a valid termination and have remained terminated from all WRS participating employment between my date of termination and the latest of the following dates:

- the day after my annuity effective date, or
- the 31st day after my termination date, or
- the 31st day after ETF received my benefit application.

I understand I may elect to actively participate in the WRS at any time in the future, provided I meet the WRS eligibility criteria for participation, by filing an updated form.

Stat. § 40.22, I would need to provide the employee the option of electing to participate in the WRS and to fill out a new Rehired Annuitant Form. I understand that Wis. Stat. § 943.395 provides criminal penalties for knowingly making false or fraudulent claims on this form and hereby certify that, to the best of my knowledge and belief, the above information is true and correct. Rehired Annuitant – Effect On Benefits and WRS Participant

Rehired annuitants who have met all terms and conditions associated with having a valid termination and meeting the minimum break in service may elect to participate or not participate in the WRS when they return to work for a WRS employer and meet the eligibility criteria in Wis. Stat. § 40.22 and as detailed in the *WRS Administration Manual*, chapters 3 and 15. If the employee does not elect to participate in the WRS, the employee continues with the life or health insurance coverage they have as an annuitant. If the employee elects to participate in the WRS, their annuity is canceled effective the first of the month after ETF receives the election form. The annuitant will not receive a payment dated the first of the second or subsequent months following filing of the election.

	<u>Event</u>	<u>Date</u>
EXAMPLE:	ETF receives election form	8/25/2011
	Annuity cancelled and the date of the last payment the annuitant will receive	9/1/2011
	A payment will not be issued to the annuitant dated	10/1/2011 or later months, until annuitant again retires and applies for a benefit.

Disability annuitants who have reached their normal retirement age are eligible to elect to participate in the WRS when they meet the eligibility criteria in Wis. Stat. § 40.22.

Insurance Coverage

Employees electing to participate in WRS must be offered all ETF-administered insurance the employer offers. **The applications should be attached and returned to ETF with this form.**

Employee not insured as an annuitant:

Employers must receive applications within 30 days following the WRS participation begin date. Insurances become effective the first of the month following receipt of the application by the employer. This applies to all ETF-administered insurance the employer offers.

Employee insured as an annuitant:

Life Insurance:

An insured annuitant returning to active WRS coverage with an employer that offers the Wisconsin Public Employers Program may choose to keep the life insurance coverage they had as an annuitant or may enroll for the coverage offered by the employer. If annuitant coverage is retained, employees under age 65 **MUST** contact ETF at 877-533-5020 or 266-3285 (local Madison) to arrange for continuation of premium payments **BEFORE** annuitant coverage lapses. If coverage as an active employee is selected, the employee must apply within 30 days of beginning active WRS participation. Active coverage will begin the day after annuitant coverage lapses.

Health Insurance:

As premiums paid through the annuity are deducted two months in advance, insurance will be paid for two months beyond the annuity end date. Premiums paid through the sick leave account will also be paid for two months beyond the annuity end date.

EXAMPLE:	Final Annuity Payment Received	9/1/2011
	Last Payment Pays For Premiums Through	10/31/2011
	Active Insurance Coverage Begins	11/1/2011

If the annuitant has ETF administered health insurance coverage, the annuitant coverage will terminate and they must enroll as an active employee if they wish to maintain health insurance through this Department. Care must be taken to ensure that the appropriate coverage is in effect on the proper date. As a result, the employee should contact ETF (and Social Security, if Medicare is providing coverage) in order to provide for continuous, but not overlapping coverage.

Accumulated Sick Leave Credit Account For State Employees

Accrued sick leave credit balances remain at ETF until the participant retires again. The participant will accrue sick leave as an active employee and when retiring again the sick leave hours earned will be converted to credits and added to the existing balance to pay health insurance premiums as an annuitant.
