

Mrs. Johnson's Journal

Happy
100
Days!

Vol.3 Issue 21 Feb.7

This week we celebrated our 100th day of kindergarten! It was a fun week! We enjoyed sharing our 100 collections and definitely enjoyed our 100th day snack! We are all 100 days smarter! I also enjoyed meeting with parents this week for conferences. Thanks to everyone who attended!

Literacy

This week our large group projects were all about 100! We made 100 hats and made a project with the number 100. During Daily 5, we listened to the book, Miss Bindergarten Celebrates 100 Days of Kindergarten and Quiet in the Library. We also practiced listening for long vowel sounds and writing beginning and ending sounds. Our handwriting letters this week were "I" and "J." During interactive writing we wrote about what we have learned in 100 days of kindergarten.

Writers Workshop

This week we revisited saying words slowly, adding details to our pictures and writing, and using our pencil rubric to check our writing. We also wrote a class book called, "If I Could Give Someone 100. . ." and we wrote about our 100 collections.

Math

In Math, we spent a whole day celebrating the number 100! We counted our 100 collection by 10s, and did a 100 balloon toss! We also measured with our feet and played a coin toss game to practice making tally marks.

Science/Social Studies

This week in Science we continued our wood investigation by going on a wood hunt in our classroom. We found out that we use wood to make many things! Did you do a wood hunt at home?
