

# Mrs. Johnson's Journal

Vol.3 Issue 23 Feb.21

This week, we celebrated President's Day. We learned about Abraham Lincoln and George Washington. We read informational books and wrote facts about each of them. We also thought about what we would do if we were the President! Next week, we will be learning about Dental Health.

## Literacy

This week our large group projects were: making George Washington and Abraham Lincoln faces. During language workshop this week, we read Little Tree. During Daily 5, we continued working on beginning sounds and wrote -an words in our Thoughtful Logs. We also listened to the book, Presidents. Our handwriting letters this week were, "Y" and "A".

## Writer's Workshop

This week we wrote our change over time stories and shared them in the Author's Chair. We also wrote facts about George Washington and Abraham Lincoln. Mrs. Kirkeby, our library helper, traced our presidential silhouettes and we wrote about what we would do if we were the President!

## Math

In Math, we played an attribute spinner game. We found out that it is easy to sort by one attribute, but gets harder to sort by 2 or 3. We also played a "Number Grid Search" game and began learning about 3D shapes. Thanks for all of the objects for our 3D shape museum!

## Science / Social Studies

In Science this week, we experimented with wood and water. We got to use water droppers and found out that some types of wood absorb water and some don't.

## Picture of the Week

Presidential Silhouettes

## LOOKING AHEAD. . .

- We have Gym: Monday, Wednesday, and Friday next week. We have book checkout on Tuesday.
- "National Love Public Schools" dress up days next week: **Monday:** Flannel Day. **Tuesday:** Summer Fun Day. **Wednesday:** Pattern Day. **Thursday:** USA Pride (wear red, white, and blue). **Friday:** Fort Pride (wear red and black).
