

Mrs. Johnson's Journal

Vol.3 Issue 25 March 6

We had a great time sharing many Dr. Seuss books this week and celebrating Read Across America Day. On Monday, we participated in 2020 seconds of DEAR (Drop Everything And Read) time with the whole school. We also made green eggs and ham for Dr. Seuss' birthday! Next week, we will be learning about dinosaurs!!

Literacy

This week our large group project was a Cat in the Hat glyph. During language workshop this week, we read Click, Clack, Moo. During Daily 5, we listened to the book, Green Eggs and Ham, and did Dr. Seuss puzzles. We also made rhyming fish with our -at, -ay, and -an word families. Our handwriting letters this week were, "B" and "P".

Writer's Workshop

In Writer's Workshop, we learned about the parts of a letter (greeting, body, closing) and learned that we can write letters to share our opinions and try to convince others. You may notice your kindergartner writing letters to ask you for things!

Science / Social Studies

Our "Let's Find Out" magazine this week was about "All Kinds of Books." We also did a wood and water experiment. We used a rubber band and paper clips to try to sink a piece of wood. Ask your kindergartner how they did it!

Math

In Math, we told comparison number stories with One Fish, Two Fish, Red Fish, Blue Fish. We also played "I Spy" with shapes around the classroom and "Guess Who," an attribute guessing game. We learned how to "level" a pan balance and "timed" ourselves doing different activities around the room.

Picture of the Week

Pajama Day and DEAR (more pics on Facebook)

LOOKING AHEAD. . .

- We have Gym: Monday, Wednesday, and Friday next week. We have book checkout on Tuesday Please remember gym shoes and library books!
- Have a great weekend!
