Number Writing Poems

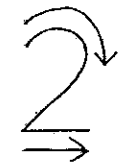

0 Round and round you go.
Not too fast. Not too slow.

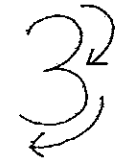

1 One is fun.
Boop!

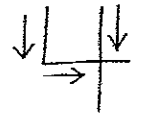

2 Around and back
Down the railroad track. Choo! Choo!

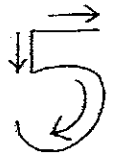

3 Around the tree and around the tree—
That's the way to make a three.

4 Down across and down some more—
That's the way to make a four.

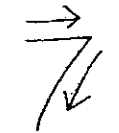

5 Jolly old five goes down and around.
Put a hat on top—it looks like a crown.

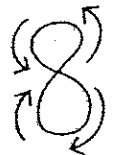

6 Roll a hoop
And make a loop.

7 Across the sky and down from heaven.
That's the way to make a seven.

8 Make an s, but do not wait.
Go back up, and close the gate!

9 A **loop** and a line
Is the way to make a nine.
