FACSIMILE BALLOT NOTICE OF  
SCHOOL DISTRICT OF FORT ATKINSON  
REFERENDUM ELECTION

NOVEMBER 8, 2022

OFFICE OF THE DISTRICT CLERK OF THE SCHOOL DISTRICT OF FORT ATKINSON  
TO THE ELECTORS OF THE SCHOOL DISTRICT OF FORT ATKINSON

Notice is hereby given of the referendum election to be held in the School District of Fort Atkinson, on the 8<sup>th</sup> day of November, 2022 at which the referendum questions set forth in the sample ballot below shall be determined.

INFORMATION TO ELECTORS

Upon entering the polling place, the elector shall give his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If an elector is not registered to vote, an elector may register to vote at the polling place serving his or her residence, if the elector presents proof of residence in a form specified by law. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth and cast his or her ballot, except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

On referenda questions when voting by paper ballot, the elector shall make a cross (X) in the square at the right of "yes" if in favor of the question, or the elector shall make a cross (X) in the square at the right of "no" if opposed to the question. On referenda questions when voting by marksense ballot, the elector shall complete the arrow at the right of "yes" if in favor of the question, or complete the arrow at the right of "no" if opposed to the question. On referenda questions when voting by optical scan ballot, the elector shall fill in the oval at the right of "yes" if in favor of the question, or fill in the oval at the right of "no" if opposed to the question. On referenda questions when voting by touchscreen ballot, the elector shall depress the button next to "yes" if in favor of the question, or depress the button next to "no" if opposed.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. Except for touchscreen ballots, if the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Sample ballots or other materials to assist the elector in casting his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed endorsement and inspectors' initials on the outside do show. The elector shall leave the booth, deposit his or her folded ballot in the proper ballot box, or deliver the ballot to an inspector for deposit, and the elector shall leave the polling place promptly.

After an official marksense or optical scan ballot is marked, it shall be inserted in the security sleeve so the marks do not show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting devise and discard the sleeve, or deliver the ballot to an inspector for deposit. If a central count system is used, the elector shall insert the ballot in the ballot box and discard the sleeve, or deliver the ballot to an inspector for deposit. The elector shall leave the polling place promptly.

After an official touch screen ballot is marked, the elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.
